

Go Emergency Plan

For some types of emergencies, you may be asked by public safety officials to evacuate. Always follow their instructions.

- Take your codeReady Plan with you.
- Take part or all of your codeReady Kit with you, depending on the time you have and officials' instructions.
- Plan to take your pet(s) unless otherwise instructed.
- Turn off utilities if you can.
- Leave a note behind indicating when you left, where you went and how to contact you.
- Check for news updates on your radio.
- Lock the door behind you.
